

## SCORPIO ★

**Your look** — **mysterious**  
**Celebrity fashion twin** — **Calista Flockhart**  
**Style** — **Scorpio** is all about sexy and sophisticated fashion. Considered to be the sexiest sign of the zodiac, it's only natural for them to often choose flirty styles, with some added mystery. They love fitted looks with a flash of skin on show. Their favourite accessories are sunglasses which help to add their mysterious appeal. Scorpios will always return to black, mixed with shades of maroon, purple and red.

## SAGITTARIUS ★

**Your look** — **creative**  
**Celebrity fashion twin** — **Teri Hatcher**  
**Style** — **Sagittarians** love to feel free in unusual looks and sporty styles. Born travellers, they prefer clothes that give ease of movement. They can effortlessly sport high fashion mixed with classic style, from a maxi-dress with added scarves and accessories, or an amazing wrap top. Intricate detailing and pretty prints are highly favoured, as well as a bright and laid-back colour pallet. Yellow, mustard and violet are key Sagittarian colours.

## CAPRICORN ★

**Your look** — **understated**  
**Celebrity fashion twin** — **Diane Keaton**  
**Style** — **Capricorn** loves to shimmer in timeless fashions that are sensible yet stylish. Practicality is the Capricorn trademark. They'll always go for smart styles in the workplace, while for other occasions it's classics all the way, from the LBD to a silk blouse with great trousers to amazing skirts. Not forgetting a brilliant bag to finish off the look. Shades of black, navy, earthy browns and charcoal grey are favourites.

## AQUARIUS ★

**Your look** — **eclectic**  
**Celebrity fashion twin** — **Jennifer Aniston**  
**Style** — **Aquarian** individuality is expressed through quirky and eccentric fashion choices. Aquarians love to stand out from the crowd with unusual and sometimes surprising looks. It's all about being different and unique. They follow no fashion rules so create their own style by mixing and matching pieces, from jeans with an amazing jacket, unusual dresses to over-the-top prints. They are the ones to look to for future trends as they tend to be ahead of their time. Electric blues, violets and vivid colours in general are firm favourites.

## PISCES ★

**Your look** — **delicate**  
**Celebrity fashion twin** — **Eva Longoria**  
**Style** — As the daydreamers of the zodiac **Pisceans** look for romantic fashions. From see-through chiffons and organza, shimmering fabrics and lacy details, their favourite style choices include draped dresses, tiered skirts and flared trousers accessorised with a piece of crystal jewellery. They are also known for having a wardrobe full of amazing shoes to match various outfits. Piscean colour choices reflect ever-changing moods and emotions through shades of sea green and blue, lilac and white.
